### Confirmation of donation

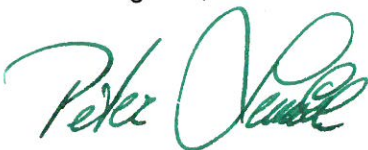

Dear colleagues of RBBG,

thank you very much for your generous donation of EUR 4.816,17,-, which we received on our charitable account on 14 February 2019 on the occasion of the donation campaign "Choose to Help".

We are happy that together, as a team, we improve the lives of so many children, adolescents, and women in need. When we help, we provide more than food, school supplies, or education – we provide the tools that every person needs to shape an independent life.

Thanks again to you and your dedicated colleagues, we are very much looking forward to continue our cooperation in the years to come.

Kind regards,

Peter Lennkh  
Member of the Board
